

Restoring the Bluebird Trails: An Airdrie Hawks and ACA Partnership.

Our Mission is to put conservation into motion. Through the Airdrie Hawks Bluebird Project, we empower young leaders to build, track and sustain vital habitats. With the help of the Alberta Conservation Association, we are committed to ensuring that Airdrie's natural heritage thrives for generations to come.

75+ new bird houses

Weekly monitoring during the season

New trails

Supported by the ACA

This project was made possible by an Education Grant that allows our wardens to build, install, and monitor nesting boxes across the Airdrie area.
